

What is a V#?

Your V# is a unique student identifier that can be obtained by sending a request through email to nonprofit@vcu.edu.

How can I check my VCU transcript?

First obtain your V# from the NLP office.

Go to the VCU webpage (www.vcu.edu), the lower left corner of the screen you will see the login for your "My VCU" portal. As this is your first time logging in, please click on the "Login Help?" link.

Underneath the "Help Logging In" section on the page, click on "What is my eID?"

Once you have done so and the new page appears, enter your V# and *Birthday* then click "Find". You will be asked to create a password and security questions.

Once you have completed that, go to the main VCU webpage (www.vcu.edu) and log into the "My VCU" portal to activate your account.

Once in your "My VCU" portal you will be able to access your transcript through eServices by selecting the blue eServices tab then clicking the blue eServices button.

If you have difficulty setting up your "My VCU" Portal, please contact the Help Desk at 804.828.2227.
